PERSONAL INFORMATION

Surname, First Name Tomini Isabella
Telephone +39 0402140488
Fax +39 0402140438
Mobile +39 0000000000
Birthplace Trieste
Date of birth 19/02/55
Gender F
Country of Origin Italy

EDUCATION

Degree in Natural Sciences 110/110 with honours at Trieste University with thesis on Algology

WORK EXPERIENCE

Date from	2015
End Date	August September
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora for "Panorama-2" Project with BGR (Bundesanstalt für Geowissenschaften und Rohstoffe) partnership. Ch. Sc. A. Erhardt
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	March
End Date	March
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora "GSGT15 (Golfo di Squillace and Golfo di Taranto 2015)" project ; Ch. Sc. S. Ceramicola
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	February
End Date	February
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI) for ALCATEL-LUCENT & Sea-Me-We5 CONSORTIUM
Type of business sector	submarine cable survey
Occupation or position held	Embarked as surveyour on N/R OGS Explora for SeaMeWe5 morphobathymetric survey
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	2014
End Date	November December
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI) for ALCATEL-LUCENT & Sea-Me-We5 CONSORTIUM
Type of business sector	submarine cable survey
Occupation or position held	Embarked as surveyour on N/R OGS Explora for SeaMeWe5 morphobathymetric survey
Main activities and responsibilities	Navigation, morphobathymetric data acquisition

Date from	September
End Date	September
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora "GANDI (GAS SEEPAGE IN THE NORTHERN ADRIATIC SEA)" project ; Ch. Sc. F. Donda
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	September
End Date	September
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora "CUMECs-2" project partnership of Malta university; Ch. Sc. A. Micaleff
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	July
End Date	July
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation and position held	Embarked as Surveyour on N/R OGS Explora for "GT-14 _Gulf of Taranto" project; Ch. Sc. S. Ceramicola
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	July
End Date	July
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation and position held	Embarked as Surveyour on N/R OGS Explora for test after upgrading Reson MB8150 to Reson MB7150
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	2013
End Date	November
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora for "Avventura 2013" Project; Ch. Sc. E. Lodolo
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	August
End Date	September
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora for "Panorama 1" Project with BGR (Bundesanstalt für Geowissenschaften und Rohstoffe) partnership; Ch. Sc. V. Damm
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	June
End Date	July
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI) for ORANGE TUNISIANA
Type of business sector	submarine cable survey
Occupation or position held	Embarked as surveyour on N/R OGS Explora for DIDON morphobathymetric survey

Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	March
End Date	March
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora for "ISTEGE 2013" project ; Ch. Sc. M.F. Loreto
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	March
End Date	March
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora for "Slomartec" project with University of Ljubljana (Faculty of Natural Sciences and Engineering) partnership;Ch. Sc. M. Busetti & M. Vrabec
Main activities and responsibilities	Navigation, morphobathymetric data acquisition, MBEs data processing
Date from	February
End Date	February
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Infrastructure Section (IRI)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora for "Licosa" project with IAMC - CNR and INGV partnership; Ch. Sc. F. Budillon
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	2012 November
End Date	November
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Dipartimento per lo sviluppo delle ricerche e delle tecnologie marine (RIMA)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyour on N/R OGS Explora for "WI-STEP12" and "Banco Avventura" Projects
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	June
End Date	July
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale -OGS Dipartimento per lo sviluppo delle ricerche e delle tecnologie marine (RIMA)
Type of business sector	Public research Institute
Occupation or position held	Embarked as Surveyor on N/R OGS Explora for EUROFLEETS-1024-019 Project "SALTFLU"
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	2011 August
End Date	September
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale-OGS for TURK-TELECOM
Type of business sector	Submarine Cable Survey
Occupation or position held	Embarked as surveyour on N/R OGS Explora for morphobatymetric survey ANTALYA-ALANYA, ALANYA-BOZYAZI, ANTALYA-KAS, KAS-TURUNC Cable Connect
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
Date from	February
End Date	March
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale – OGS for ALCATEL-LUCENT F-75007 Paris
Type of business sector	Submarine Cable Survey

Occupation or position held	Embarked as surveyour on N/R OGS Explora for morphobathymetric survey Bari-Tel Aviv CableConnect
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	2010
Date from	September
End Date	September
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale – OGS Dipartimento per lo sviluppo delle ricerche e delle tecnologie marine (RIMA)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGS Explora for Project “Offshore Salento”
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	September
Date from	August
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale – OGS Dipartimento Geofisica Della Litosfera (GDL)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGS Explora for Progetto “Indagine Sismotettonica del Terremoto del settembre 1905 (Mv 7.4) nel Golfo di S. Eufemia”
Main activities and responsibilities	Navigation, morphobathymetric data acquisition, MBEs data processing
	June
Date from	July
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale – OGS for FUGRO OCEANSISMICA I-00126 Roma
Type of business or sector	Well site survey
Occupation or position held	Embarked as QC on N/R OGS Explora for preliminary geophysical survey on well sites in Black Sea - Varna
Main activities and responsibilities	Morphobathymetric data QC and processing
	2009
Date from	October
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale – OGS Dipartimento per lo sviluppo delle ricerche e delle tecnologie marine (RIMA)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGS Explora for Project “Research problem CO ₂ sequestration”
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	August
Date from	September
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale – OGS Dipartimento per lo sviluppo delle ricerche e delle tecnologie marine (RIMA)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSEExplora for Project “GLacial Meltwater and the continental MArgin of NW Europe – GLAMAR” for IPY(International Polar Year)
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	March
Date from	April
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale – OGS for Dipartimento della Protezione Civile Nazionale
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSEExplora for Project “MARine Geohazards along the Italian Coasts – MAGIC”
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	March
Date from	
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle ricerche e delle tecnologie marine (RIMA)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSEExplora for Project “Basso Ionio – CALAMARE”

Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	2008
Date from	July
End Date	August
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle ricerche e delle tecnologie marine (RIMA)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSExplora for Project "EGLACOM (Evolution of a Glacial Arctic CONTinental Margin the southern Svalbard ice stream-dominated sedimentary system)" at Svalbard Islands for IPY(International Polar Year)
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	March
Date from	June
End Date	
Occupation or position held	Embarked for MBES data acquisition on N/R OGSExplora for preliminary well-site survey in North Sea - Norway
Main activities and responsibilities	Morphobathymetric data acquisition and processing OGS overseer
	2007
Date from	November
End Date	December
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS for ELETTRA TLC Spa I-00148 Roma
Type of business or sector	Submarine Cable Survey
Occupation or position held	Embarked as surveyour on N/R OGSExplora for morphobathymetric survey - Mazara-Malta Cable Connect
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	October
Date from	
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS for ELETTRA TLC Spa I-00148 Roma
Type of business or sector	Submarine Cable Survey
Occupation or position held	Embarked as surveyour on N/R OGSExplora for morphobathymetric survey 'Dan-Ice Connect Survey'
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	June
Date from	August
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS per ELETTRA TLC Spa I-00148 Roma
Type of business or sector	Submarine cable survey
Occupation or position held	Embarked as surveyour on N/R OGSExplora for morphobathymetric survey 'Greenland Connect Survey'
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	April
Date from	May
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RIMA)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSExplora for Project 'Vector', 'SeaHellArc', 'Basso Ionio'
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
	January
Date from	
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RiMa)

Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSExplora for Project "Adriatico 'Fossa del Pomo"
Main activities and responsibilities	Navigation, morphobathymetric data acquisition
2006	
Date from	October
End Date	November
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RiMa)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on Castorino Project "VECTOR - Laguna di Grado (Porto Buso)"
Main activities and responsibilities	Navigation, morphobathymetric data acquisition and processing
2002	
Date from	January
End Date	March
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RiMa)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSExplora for PNRA Antarctica Projects :
Main activities and responsibilities	<i>Progetto di ricerca 3.8/2002- Evoluzione della calotta glaciale occidentale nel mare di Ross (WISE)</i> <i>Progetto di ricerca 4.5/2002 - I legami tra cinematica e successione temporale della tettonica cenozoica della terra Vittoria/Mare di Ross con le zone di frattura dell'Oceano Meridionale</i> <i>Progetto di ricerca 4.11/2002 -MOGAM_ Morphology and Geology of antarctic margins (Wilkes Land and Antarctic Peninsula)</i> Navigation, morphobathymetric data acquisition, seawater physical data acquisition
2005	
Date from	December
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RiMa)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSExplora for PNRA Antarctica Projects
Main activities and responsibilities	Navigation, morphobathymetric data acquisition, seawater physical data acquisition
2005	
Date from	April
End Date	October
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RiMa)
Type of business or sector	Public Research Institute
Occupation or position held	Embarked as surveyour on N/R OGSExplora for Projects:
Main activities and responsibilities	<i>- Realizzazione della Carta Geologica Tecnica della Risorsa Geotermica Regionale</i> <i>- Realizzazione della Carta Geologica Marina 1:250.000 del Mare Adriatico ad Est del meridiano 17° e a Nord del parallelo 41°</i> <i>- HERMES-IONIO 2005 Hotspot Ecosystems in the Western Ionian Sea</i> <i>- SWIM 2 - Earthquake and Tsunami hazard of active fault at the Southwest Iberian Margin deep structure, high resolution imaging and paleoseismic signature</i> Navigation, morphobathymetric data acquisition
2005	
Date from	January
End Date	April
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RiMa)
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Instrument on N/R OGS Explora maintenance
2004	
Date from	July
End Date	December

Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, <i>trasferimento al</i> Dipartimento per lo sviluppo delle Ricerche e delle tecnologie MARine (RIMA)in data 07.07.2004
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Instrument on N/R OGS Explora maintenance
Date from	February
End Date	June
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento di Oceanografia - OGA
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Acquisition and processing of chemical and physical seawater data collected in Mediterranean Basin
Date from	January
End Date	
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento di Oceanografia - OGA
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Imbarco su N/R OGS Explora per test della strumentazione per l'acquisizione di dati oceanografici installata sulla N/R OGS Explora, acquisizione di dati meteoceanografici da Algesiras ad Ushuaia
Date from	2003
End Date	December
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento di Oceanografia - OGA
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Embarked on N/R OGS Explora for testing oceanographic intruments and acquisition of meteoceanographic data during transit from Algesiras to Ushuaia
Date from	January
End Date	November
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento di Oceanografia - OGA
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Acquisition and processing of chemical and physical seawater data collected in Mediterranean Basin
Date from	2002
End Date	January
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento di Oceanografia - OGA
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Acquisition and processing of chemical and physical seawater data collected in Mediterranean Basin
Date from	2001
End Date	January
Name and address of employer	Istituto Nazionale di Oceanografia e di Geofisica Sperimentale - OGS, Dipartimento di Oceanografia - OGA
Type of business or sector	Public Research Institute
Occupation or position held	Coll. Ter. V liv.
Main activities and responsibilities	Acquisition and processing of chemical and physical seawater data collected in Mediterranean Basin

EDUCATION AND TRAINING

Date	16.06.2015
Name and type of organisation providing education or training	Lecture at "Circolo Verdeazzurro Legambiente di Trieste"
Principal subjects/occupational skills covered	- L'ADRIATICO: UN MARE DA CONOSCERE E TUTELARE-
Title of certification awarded	
Level in national classification (if appropriate)	
Date	3.6.2014
Name and type of organisation providing education or training	Lecture at "Circolo Verdeazzurro Legambiente di Trieste"
Principal subjects/occupational skills covered	- SUONI, MISTERI e ALIENI SOPRA E SOTTO IL NOSTRO FONDO MARINO-
Title of certification awarded	
Level in national classification (if appropriate)	
Date	4.3.2014
Name and type of organisation providing education or training	JNCC – Joint Nature Conservation Committee
Principal subjects/occupational skills covered	Identification and monitoring of marine mammals
Title of certification awarded	Marine Mammals Observer Training Course
Level in national classification (if appropriate)	Marine Mammals Observer
Date	5.3.2014
Name and type of organisation providing education or training	JNCC – Joint Nature Conservation Committee
Principal subjects/occupational skills covered	Identification and monitoring of Protected species
Title of certification awarded	Protected Species Observer Training Course
Level in national classification (if appropriate)	Protected Species Observer
Date	7-9.10.2013
Name and type of organisation providing education or training	Apt -International Safety Training Centre
Principal subjects/occupational skills covered	Basic Offshore Safety Induction and emergency Training
Title of certification awarded	BOSIET certificate OPITO approved
Level in national classification (if appropriate)	Offshore installations
Date	03.02.2008
Name and type of organisation providing education or training	Tecno Italia Safety and Survival training S.r.l.
Principal subjects/occupational skills covered	Fire fighting basic Proficiency in personal survival techniques
Title of certification awarded	IMO STCW/95 A-VI/I Cod. STCW
Level in national classification (if appropriate)	For personel not entered in the registers of Marine Departments
Date	02.03.07
Name and type of organisation providing education or training	Communication Technology e Teledyne RD Instruments
Principal subjects/occupational skills covered	RDI Marine Measurements Advanced Training Course
Title of certification awarded	Certificate of participation
Level in national classification (if appropriate)	Refresher course
Date	09.2005
Name and type of organisation providing education or training	Consorzio per l'attuazione del Programma Nazionale di Ricerche in Antartide (PNRA) Centro addestramento alpino, reparto attività sportive-Courmayeur

Principal subjects/occupational skills covered Corso di addestramento sicurezza e salvataggio, corso di prevenzione incendi, lotta antincendio e gestione emergenze, attività subacquea in Antartide, telecomunicazioni in Antartide, corso di ambientamento alla montagna

Title of certification awarded Certificate of participation

Level in national classification (if appropriate) Training

Date **01.07.05**

Name and type of organisation providing education or training STARGAS s.r.l. (SMS Rina Approved)

Principal subjects/occupational skills covered Proficiency in personal survival techniques

Title of certification awarded Certificate of participation

Level in national classification (if appropriate) Training

Date **04.05.04**

Name and type of organisation providing education or training Università degli studi di Trieste Centro Servizi Servizio Informatico CSIA

Principal subjects/occupational skills covered Excel Basic
Excel Advanced

Title of certification awarded Certificate of participation
Certificate of participation

SKILLS AND COMPETENCES

SOCIAL SKILLS AND COMPETENCES Ability to adapt to environmental stress situations concerning both operative areas (limited ship locations) and extreme climatical regions such as Antarctic and Arctic Zones. Ability of working and cooperate with other people where collaboration and shifts are requested from circumstances among different roles.

TECHNICAL SKILLS AND COMPETENCES Control of acquisition instruments such as : multibeam echosounder (Reson 8111, Reson 8150, Reson 8125, Reson 7150), singlebeam echosounder (Simrad EA600), SubBottomProfiler (Benthos-Chirp II)Thermosalinograph (SBE21), AcousticDopplerCurrentProfiler (Teledyne RDInstruments), SoundVelocityProfiling probe (Reson SVP24, Mini Valeport)

COMPUTER SKILLS AND COMPETENCES Use of Microsoft Office, Golden Software (Surfer, Grapher), Global Mapper, Graphic (Adobe , Corel), Reson-PDS2000 (navigation, acquisition, processing), Caris (echosounder data processing) Packages.
